## Enrollment Lottery Guidelines

### Enrollment Lottery Guidelines

If by the application deadline, the number of applications is less than or equal to the designated capacity, the applicants will be offered enrollment. If by the application deadline, the number of applications exceeds the capacity of a program, class, grade level or building, applicants will be selected for the available slots through an equitable selection process referred to as a lottery. After the application deadline, pupils for any remaining slots or on a waiting list will be accepted on a first come, first served basis. SVA will give enrollment preference to pupils who are children, grandchildren, or wards of employees, pupils returning to the school, and siblings of pupils already enrolled, provided all re-enrollment paperwork is completed by the announced deadline.
